

# Gift of Securities Transfer Document, St George's Church

**Security transfers from a donor's brokerage account to a charities or church account:**

When securities are held in a brokerage account, there is no need to transfer the actual certificates. The donor instructs his or her broker to transfer the securities from his or her account to the church's account. The fair market value will be determined on the day the securities are received and sold by the Church.

**Please complete this form and have your own broker fax the completed form to RBC Dominion Securities advising RBCDS that a securities transfer is about to take place.**

---
